DAKOTA

25-year warranty

The one thing you can predict about the weather is its unpredictability. Best to be ready for anything. When it comes to fully protecting your home while enhancing its natural beauty, the timeless, 3-tab Dakota shingle delivers extraordinary distinction. An elegant selection of eleven exceptional colors plus UL Class A performance you can count on for 25 years. With the added 115 km/h wind warranty, we predict your new Dakota roof will protect you and your home for many years to come.

EMCO Building Products is committed to providing homeowners with top-notch expertise, the highest quality products and the best warranty in the industry including our new wind warranty. Visit DreamRoofs.com for warranty details and to find out how to enhance your home with the best protection, the best styles and the best selection of colors.

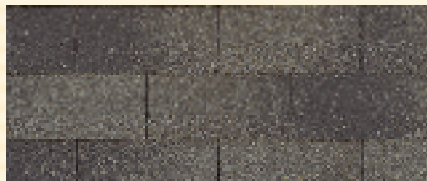

2-TONE BROWN

CEDAR

TONE GREY

ANTIQUE WOOD

REDWOOD

MIDNIGHT BLACK

STONE GREY

Due to limitations of the printing process, actual shingle colors and granule blends may vary from the photos. It is recommended that you view an actual shingle sample before making a final color selection. We reserve the right to change colors at any time.

WIND WARRANTY

BP's new Instabond™ adhesive is now applied to all our shingles to give you the best wind protection in the industry. Depending on the shingle you choose, and the method of installation, your new BP roof is guaranteed to hold tight in winds of 115 to 175 km/h.
