# EVEREST

35-year warranty  
Use Dakota for Hip & Ridge

The new Everest shingle, like its namesake, is oversized and at the peak of perfection. This double-layer laminate shingle features a large nailing zone for easier installations and larger tabs for a bolder appearance. With a choice of eleven stunning colors plus a 35-year warranty and added wind warranty up to 160 km/h, Everest takes home beautification and protection to serious new heights.

EMCO Building Products is committed to providing homeowners with top-notch expertise, the highest quality products and the best warranty in the industry including our new wind warranty. Visit [DreamRoofs.com](http://DreamRoofs.com) for warranty details and to find out how to enhance your home with the best protection, the best styles and the best selection of colors.

Due to limitations of the printing process, actual shingle colors and granule blends may vary from the photos. It is recommended that you view an actual shingle sample before making a final color selection. We reserve the right to change colors at any time.

## WIND WARRANTY

BP's new Instabond™ adhesive is now applied to all our shingles to give you the best wind protection in the industry. Depending on the shingle you choose, and the method of installation, your new BP roof is guaranteed to hold tight in winds of 115 to 175 km/h.

WIND  
WARRANTY 160 km/h
